ExcelCare at Egg Harbor COVID-19 UPDATE 1/02/2023

Dearest Family and Honored Staff:

We would like to inform that we currently have cases of covid positive residents and staff in our facility.

TOTAL:
- Residents: 31
- Staff: 7

We continue to take precautions and encourage that families please take the same precautions in preventing the spread of COVID-19 in the community.

We will continue in following CDC and Department of Health guidance.

`We strongly request that you adhere to ALL CDC and Department of Health Guidance, as well as getting fully vaccinated with a booster when visiting. In order to reduce the possibility of COVID-19 exposure and/or transmission, please comply with the use of a surgical mask at ALL times when visiting and limit visitation to resident's room. No more than 2 visitors at a time.

 SURGICAL MASKS
REQUIRED in Healthcare Facilities

Visitors must strictly screen regardless of vaccination status. If you are feeling ill or have had close contact with someone with SARS-Cov-2, please refrain from visiting. Visitors must notify the community upon receipt of a COVID-19 positive test result or exhibiting symptoms of COVID-19 that develop within 14 days of the visit.

We will update you accordingly and welcome any questions you may have.
